*Conditions Apply

1 *The Refund Claims must be submitted in writing*, (email), and will be processed only if no similar procedure has been initiated against the corresponding payment processor. *The management of the requests will be done by hand and will take up to seven (7) working days*. The established deadlines for any other type of refund will be counted in natural days.

2 *The Refund of the Licenses and/or Membership Fees involve a total loss of the generated profit* by virtue of the invested capital management, additional to the respective charge of two (2) times the amount charged up until the **markup** request date; all of which will be deducted by the Broker directly from the applicant account, prior his/her authorization contained in the Power of Attorney (**PoA**) signed at the moment of registration. The

commissions charged by the Broker could change in case the refunded client opts to continue operating in manual form once disconnected from the respective **MAM** account(s).

3 *The Refund of the Licenses and/or Membership Fees involve a total loss of the generated profit* by virtue of the invested capital management, amount that will deducted by the **Broker** directly form the applicant account, prior his/her authorization contained in the **Power of Attorney (PoA)** signed at the moment of registration. The commissions charged by the Broker could change in case the refunded client opts to continue operating in manual form once disconnected from the respective **MAM** account(s).
